**Disclaimer;** Learning 2B Sustainable Ltd is the organisation responsible for compiling this list but this does not indicate an endorsement in any way of the resources or services offered by the organisations included. You are reminded that these organisations are indicative of the opportunities available to schools in certain specialist areas of sustainability and global education and there will be other organisations offering similar services that are not listed. You are reminded to thoroughly research independently any area of special interest you wish to follow up and to carefully select those support resources and services that best fit the particular requirements of your school.

Any organisation wishing to be added to this list should send their details to [info@learning2bsustainable.co.uk](mailto:info@learning2bsustainable.co.uk) with a subject heading of **L2BS Website List**. Details will be added and made available in the next updated edition. Any organisation wishing to have their details removed should also use these details.

Any school wanting to promote use of a resource from an organisation not listed here but which has been particularly helpful may also send the organisation details as above.
